

ASHRAE

Technology for a Better Environment
Northern Nevada Chapter 126
January 2011 Newsletter

PRESIDENT'S MESSAGE: **BRANDON ETCHEMENDY**

The wine tasting was a great success! Congratulations to Jimmy George, Matt Brenna and TJ Dobson on they wine case winnings at the tasting. I want to thank Whispering Vine for hosting the even and Eclipse pizza for the great food. And also a round of thanks to all of you who helped out and donated to make the night such a great time. Thank You All!

Well we are on the move again and this month we are going to try Claim Jumper starting at **5:30 for cocktails and 6:00 for dinner.**

Mr. Matt Brennan will be attending our BOG luncheon this month to report on our up coming sporting clays shoot. We will have all of the details in our next newsletter.

Keep those donations coming for research and promotions; they are what keep our industry proactive for the betterment of out industry. If you would like to make a donation contact Jason Bender: jbender@calhydro.com or myself: brandon@aspenreno.com.

I look forward to seeing you at this months meeting
Brandon Etchemendy
Chapter President 2010-2011
Northern Nevada Chapter

PRESIDENT ELECT / PROGRAM CHAIR:
CHRIS LITTLE / No update this month.

January Meeting ~ Thursday, January 20th, 2011
The meeting will be held at the Claim Jumper Restaurant
Cocktails at 5:30, Dinner at 6:00

Claim Jumper Restaurant
4905 S. Virginia St. Reno, NV 89502
(775) 829-0200

This month's speaker is Eric Tinglof from Loren Cook Company, a manufacturer of ventilation equipment.

Eric Tinglof is a registered mechanical P.E. in the State of California and has 25 years of experience in the HVAC industry. He received a B.S. degree in Environmental Engineering, HVAC/Solar Concentration, from Cal Poly University, San Luis Obispo. He presently works for the Loren Cook Company as the Western Regional Manager for the U.S. and Canada.

Topic: "A Few Historical and Current Innovations to Optimize Fan Energy Usage"

Topics of discussion will be EC motors, EISA energy act, mixed flow fans, Energy Recovery Ventilators (ERV's) and variable volume laboratory exhaust fans.

I look forward to seeing everyone at Claim Jumper!

RESEARCH AND PROMOTION CHAIR:
JASON BENDER

ASHRAE Members-

We are continuing our campaign and need your help to do our Chapters part to help further research in our industry. We have a Chapter goal of \$5500 to be donated for the 2010-2011 Research Promotions Campaign. I'd like to thank those that have contributed in the past, but we will need everyone's help to reach our goal for this year. Please think about what you can do as an individual to help our chapter do its part to support the research projects that help keep our industry moving forward by improving the technology that shapes the systems that we are all involved with.

Please at a minimum take some time request that your company support our chapter with a donation to the ASHRAE RP Campaign! Please send any donations or checks to my office for collection and processing, or bring the checks to a meeting and give it to me there! You will receive receipt that can be used for tax-deduction purposes.

Jason Bender
RP Chair, ASHRAE N. Nevada

TREASURER CHAIR:
BRYAN TILTON

"Checking account balance is \$1,681.86 and the savings account is \$12,500.28. The January wine tasting was a success, a big thank you to all that not only donated prizes but also joined us at the event. The preliminary count shows we made a little over \$600 at the event. A more accurate amount will be reported in next month's newsletter."

SHOOT CHAIR:
MATT BRENNAN
