

## Northern Nevada Chapter 126

### September Newsletter 2007

---

#### **PRESIDENTS MESSAGE:** **Jace Cook**

#### **Presidents Message:** September 2007

Greeting and welcome to a new exciting season of ASHRAE! Our programs chair and president elect, Candice Carolla, is putting the finishing touches on another great program listing for our dinner meetings. Candice is also in the progress of trying to coordinate a job walk here in Reno and possibly featuring a distinguished lecturer. Building contractors, consultants, owners and architects are all welcome to attend any of our meetings so please try to spread the word and bring someone new too the dinner meetings.

This summer's Skeet Shoot was a smashing success. The chapter was able to raise a significant amount for the Chapter and exceed our goals for ASHRAE research. I want to thank Matt Brennan for taking the lead on organizing the event and everyone else who assisted him. I also want to thank everyone who came out and had a good time with us! We will definitely be coming back and having another skeet shoot event next summer. It's been a while since the chapter has had a golf tournament mostly because no one has been available to volunteer for its organization. If you have any burning desire to see it brought back to life and would like to make it happen, please feel free to discuss it with any BOG member.

I want to introduce those who have graciously volunteered their time to this coming semester of ASHRAE. As said before, Candice Carolla is this years new President Elect and Programs Chair. Jeff Samboy has been appointed chapter secretary. Brenna Smith has been appointed chapter treasurer. Dean Borges will again handle Student Activities committee chair. David Wyllie has been appointed Historian. Kelli Newton also has come back to us this year after a while as our Research and promotion Chair. Chun Lee will continue his excellent work as the chapter's webmaster and Michelle Miller will continue as a BOG chair. Last but not least Andy Jones our past president will be our Technology transfer committee chair. The chapter has more seats filled than I can remember since joining and this is very exciting! Thank you all who contributed to last year's success and the year that is coming! It's my hope that we can continue to build on our chapter and I hope you will participate in our upcoming chapter dinner meetings and become involved.

Sincerely,

Jace Cook  
Chapter President 2007-2008  
Northern Nevada Chapter

**PRESIDENT ELECT**  
**Candice Corolla**

**September Meeting ~ Thursday, September 20, 2007**

The first meeting for the 2007-08 ASHRAE Year will be held at the Meadow Wood Courtyard, Donner Room.

Cocktails at 6:00, Dinner at 6:30, Speaker from 7 'til 8'ish, Closing around 8:15'ish.

**Topic: Fire and Smoke Control**  
**Speaker: Larry Felker**  
**Speaker Biography:**

Larry Felker is Product Manager of Fire & Smoke with Belimo Americas. He is a mechanical engineer who has specialized in actuators and dampers for the last 15 years. He is active at ASHRAE nationally and is a member of TC 1.4 Temperature Controls and a corresponding member of TC 5.6 Fire and Smoke. He is also a member of NFPA and ICC and attends national and local meetings.

**MINUTES / CHAPTER SECRETARY**  
**Jeff Samboy**

In attendance: Andy Jones, Candice Carolla, Dean Borges, Kelly Newton, Jason Bender and Jeff Samboy.

The topic of a new Reno ASHRAE meeting location was discussed.

The *Peppermill* and *Airport Plaza* were the top 2 alternatives chosen.

Kelly Newton: Volunteered to update chapter website.

BOG agreed to move ahead and pay up to \$1000.00 to Michael Marchese for tuition as previously voted on. The total of the tuition exceeds the agreed upon amount of \$1000.00

Dean Borges would like to have a student activities night in November/Feb.

Several ideas were discussed for fund raising during the 2007/2008 year. Possibly Bowling, fishing, casino night and billiards.
