The purpose of the American Society of Heating, Refrigerating and Air-Conditioning Engineers, Inc. (ASHRAE) is to advance the arts and sciences of HVAC&R to serve humanity and promote a sustainable world. 40% of our proceeds from this even will go towards local charities and the rest of the proceeds will go towards the local ASHRAE scholarships. Also be sure to bring a new, still wrapped toy for Toys for Tots. This information is used for the professional growth in the arts and sciences of heating, ventilating, air conditioning and refrigerating.

The following is an itemized list of items needed to run the fundraiser. Donations will be accepted toward the listed items the sponsor has signed-up for. If you have any questions, contact Sandor Duran. To sponsor an item, simply fill out this form email to president@nonevashrae.org.
