Join your local ASHRAE chapter at their annual Wine Tasting Social where you will enjoy several signature wine, tasty appetizers, and join in our raffle prizes for a case of wine, 2 tickets for the Napa wine train, and many other prizes!!

This year we'll be donating 40% of our profit to local charities and the rest of the profit will go to Northern Nevada ASHRAE scholarships for our engineering students here at the local colleges. Tickets will be \$20 per person and we are also requesting everyone bring a toy with them. We'll be collecting the toys and donating them to our local Toys for Tot. You can pay via PayPal prior to the event or by cash, check or credit card at the door. We look forward to seeing you all there!!
